4 areas of possible assistance:
1. Training - for ministerial personnel
2. Assist during legislative process with cabinet system
3. Generate priority legislation for govt
4. Seminars for parliamentarians

Disc'd w/ dep't: 3 week seminar at 4 areas - best time: July
US AID team of drafter from Tulane in July - run own
May on drafting techniques in Gauteng = 1-2 day

1-2 day
(They're running workshop on legislative process. Feb 10, Michael preparing guide for this.) SA parties have 'war basis' + PR = reg. party interest

Bob: To call Tulane to discuss how fit

E-mail: m Sachs @ GautengLeg, Gov, ZA

He'll send e-mail w/ details / disc w/ Feroz next week

Re idea of 'experts' - little prov. leg. = no. of reasons: Const auth = unclear, tech = draft capacity + tech, or public dept, most = new personnel (Nat'l much existed, but not prov)
1. Basic capacity + understanding of instruments of implement, post. = leg, sub-department

Bob: 5th item: work with leaders -> 'our' program -

Re leg prog -> e-mail it, are issues in corruption?
Note: new sect const Prov leg. specify how approved
It's subordinating leg's identify a bill on this. Also = bill
Some changes in local Govt, development planning.
Legal Services Directorate - recently estd -> involved
Some dept's have legal advisors thru contract
Outside to consultants, work on dir/dep't resp/eq hq,
Old transform pot into draft leq sent to tech
Legal servs not supposed to engage in draft,
only focus on 'consistency'; (No MOJ, dir/dep'ts
in Dir Gen/Province) may require shut dept down
per lot - nec. Would = half/half = legal
pol people/dep't; print co,se. & civ. servs.
more involved,
Michael will send comprehensive proposal - next week
