Problem/ MacArthur = can't take it on; changes won't be in place till next spring. It's not clear where we're going; major obstacle: haven't worked in AE; will share w. others on staff.

Pre-extension /Spring: E. Evr, China = out; focus = foreign / SSR = modest + staff + in Mexico + Caribbean basis.

Clearly need program /this, but MacArthur = focus = on governance, but more on global + int'l agents / human rights, women's, environ.
Communities can deal w. those global networks.

Others:
Ford/ NY = cast / comparative way / diff parts of world.

Re E. Evr: Sabre Fund - work on freedom of info, civil rights, but may have changed. Soros - also = E. Evr + SA, no -> Asia.

Rockefeller Bros Fund - Bill Moody / E. Evr -> 61'sq civil soc. -> not sure what means, but = enabling civil soc., protect rights, etc. = legal culture / flowering of civil soc.

Evr Asia Fund = US Govt + Fund / See also Asia Fund -> good contacts. Rockefeller studies = within dir. Tom Pickering (US Amb) to take over Call each re entry pt. + 
reauthorization of funds = responsive? 

U. of No: Diana: "linkage document" = umbrella
- indicate to Ford exists = specific initiative w/in context.

All Ford grants = not w/in terms of reference = ad hoc -
- 1 page description = w/in linkage.

Put together each summary = 'category'
of things -

= Jointily - Ford Prog has finds/things.

1. Be 'impact': 10-15 pages proposal

2. Plant focus on 1 country or region:
   - People don't know how, can't learn, identify partners:
     - John Gerhard in Joburg -> approx.
     - in Braamfontein

3. Get SA judge = co-sponsors = easier to deal with - if = joint
   - eg. Namshi Ford = jw. w.e.o Flon.

4. Go Africa: must be regional:
   - eg. Zim, Moz, Namibia, Botswana,

5. Ford:
   - Human Rights + Governance programs
     - in context - (formerly Shep Ford)
