Boston University
The mission of the Institute for Human Sciences at Boston University is to serve as a forum for new, non-partisan debate, research and education in the matters of international (especially transatlantic) relations, introducing European insights and experiences to American debates on major social and political issues and bringing American perspectives to bear on European discussions. It is affiliated with the Vienna based Institut für die Wissenschaften vom Menschen (IWM), an independent, interdisciplinary center for advanced study in the humanities and social sciences.
