Editors' Note: As a matter of editorial policy, gender-inclusive language has been used throughout. Exceptions are made for reasons of historical accuracy and for the treatment of gender-specific matters. Scripture quotations, but not quotations from other source material, have been modified accordingly.

Subscription information: The Journal of Faith and Science Exchange is published annually by the Boston Theological Institute. It is available to individuals and congregations within North America at a cost of $25. Please add $5 for Canada and Mexico and $10 for all other countries.
